NOTES

1. COMMITTEE STRUCTURE

Name: General Brock Park Committee

Mission Statement: Our goal is to form a strong united community group to represent all the users of the General Brock Parkland and to take action to preserve our parkland space.

Objective: Our objective is to request that Council support our recommendation to acquire the General Brock property and work with the members of the community for an agreed upon period (3 years) to determine a future use of the property that best meets the interests of the community and maximizes the area's irreplaceable green space.
